The New Presale - PRESALE 2 Withdrawal Rules

- Referral Rewards: Minimum withdrawal is 10 USDT.
- Investments (ISPAY Coins): Minimum withdrawal is 0.1 ISPAY.

How it works:

Both referral rewards and ISPAY coins are cumulative. Your balance adds up daily. You can withdraw once your total reaches the minimum threshold.

For Example:

If you earn small amounts each day, they continue to accumulate until you reach 10 USDT (referrals) or 0.1 ISPAY (coins), then withdrawal becomes available.
